ORDER OF THE COURT	
--------------------	--

Upon consideration of the stipulated motion to supplement the record, which the Court construes as a motion to complete the record, the Court GRANTS the motion. The supplemental record, consisting of the requested May 16, 2011 transcripts, properly certified by the district court, shall be due 28 days from the date of this order. Counsel for appellants is responsible for contacting the trial court to facilitate supplementation of the record.

Upon consideration of the motion for extension of time to file the opening brief with hyperlinks, the Court GRANTS the motion. The Court STRIKES the opening brief filed on April 2, 2012 and ORDERS an amended opening brief with hyperlinks to be filed 7 days after the supplemental record is filed.

The Court VACATES the answer brief due date. A new due date for filing the answer brief will be set when the amended opening brief is filed.
